Akazien Campus GmbH - Akazienstraße 3a - 10823 Berlin

How to connect with the printers:

- Go to settings
- Click devices
- Choose printer & scanner
- Add printer or scanner
- Search for Alien-Left or Alien-Right (means printer left or right)
- Follow the instructions

You can also plug in your USB stick to the printer and print from USB or scan document to USB.

As always, think about the environment and only print when it is necessary.
